The Cougars enter the State Championship Game as the two-time defending champions and on a 44-game winning streak. The Cougars feature a balanced attack that seeks to control the clock, while putting up more than 40 points per game. Defensively the Cougars are as stout as they have been in previous years, allowing just over 10 points per game.

The Cougars have passed for more than 1,400 yards, however, the ground attack is as potent as ever, racking up 270.5 yards per game. Maquel Haywood leads the balanced backfield, as the junior has rushed for 1,202 yards and 18 touchdowns on the season. Senior Demarcus Jones is not far behind Haywood, with 1,174 yards and 17 touchdowns on the season.

Coach Reggie Lucas said, "Our team has responded extremely well after winning back-to-back 4AA State Championships. Our players know that every week we are going to get the best from each team. The coaching staff has done a great job keeping the players focused on each game and not looking ahead each week."

The Cougars are making their sixth appearance in an NCHSAA State Championship Game, all since 2010, and have won two championships in school history.

The Vance Cougars have never appeared in an NCHSAA State Football Championship before. On five previous occasions, Vance reached the NCHSAA Western Regional Finals, however they did not advance until defeating Myers Park 21-14 this year.

The Cougars have one of the best defenses in school history, pitching six shutouts on the year and only allowing more than 14 points on four occasions this season. Vance may have one of the best Linebacking corps in the state, if not the country. All three starting linebackers have multiple collegiate offers from Power-5 schools. Couple that solid defense with an offense capable of controlling the football with a powerful rushing attack and it is easy to see how the Cougars battled their way through the I-Meck and 4AA Playoffs to this point.

The most galvanizing moment for the Cougars this year was knocking off a tough Hough Huskies squad in the final home game of the season. Vance pitched a shut-out, winning 25-0. They followed that up with a round three victory over that same Hough squad, after picking up a revenge win against Mallard Creek, the only team on the schedule to beat the Cougars this year.
